

BOY SCOUT AND VENTURE LEADER TRAINING
2008 - 2009

New Leader Essentials is an introductory session that highlights the values, aims, history, funding, and methods of Scouting. Once a volunteer has a solid overview of the BSA's values-based program, he or she can begin training for a specific Scouting position through **New Leader Specific Training**. **New Leader Specific Training** provides the specialized knowledge a new Boy Scout leader needs to assume a leadership role. Scoutmasters and Assistant Scoutmasters are considered trained when they have **completed New Leader Essentials, Scoutmaster and Assistant Scoutmaster Leader Specific training and Introduction to Outdoor Leader Skills**. Troop Committee Members are considered trained when they have completed **New Leader Essentials and the Troop Committee Challenge as their Leader Specific Training**.

Youth Protection Training is an additional 1 hour of training, and if noted, is included in scheduled training sessions. Each unit is required to have at least 1 individual as Unit Youth Protection Representative having completed this training. It is highly recommended that all leaders take this session.

Please find listed below the date, time and place of each Boy Scout Leader Training course to be held this Scout year. It is recommended that you attend the training held in your area if possible; however, you may attend any of the training below. **Please contact indicated person to pre-register.** The Central N.C. Council provides all training materials to you at no cost. There may be a fee incurred, however, if lunch or an overnight outing is provided.
