

WEBELOS OUTDOOR LEADER SKILLS TRAINING

Dear Cubmasters and Webelos Leaders:

The Cub and Webelos Scout outdoor program is an exciting time for boys as they build character and learn outdoor skills, which will prepare them for a Boy Scout Troop. The Central N.C. Council is offering a fun and informative seminar, which will assist you in supporting the 4th and 5th grade boys in your pack or den. This seminar includes learning how to prepare basic outdoor activities, camping programs and activity badge instruction. It is also an excellent opportunity to share experiences and learn with different Cub leaders from across the Central N.C. Council.

We have assembled a team of the most experienced Webelos leaders and Cub Scouters in the council to conduct this training. We hope you will decide to join us for this most enlightening and fun experience.

Participants in this seminar will be credited with the outdoor skills segment of the Cub Scout Leader requirements. It will cover the full range of outdoor activities for the Cub and Webelos Scouts. An optional, but highly recommended night of camping will take place Saturday night.

If you have any questions please contact Tom Moose at 910-572-3679. Books and materials referenced in this course will be available for sale and handouts will be provided.
