

# The Trainer's EDGE

**Purpose:** The purpose of the Trainer's EDGE course is to provide and help develop the platform skills of a trainer. This course is intended to "train the trainer" on behaviors and resources while offering hands-on experience in methods and media. You will have the opportunity to be in front of the group. The group will offer feedback that will help you improve your skills as a trainer. Feedback is a gift. We want to make sure it is given in a positive, helpful way. Additionally, it is a pre-requisite for those Scouts and Scouters that are to be on Wood Badge or National Youth Leadership Training (NYLT) staff.

## **Target Audience:**

- District Training Chairs and their committee members
