

2020 Webelos Adventure Camp Information Guide

Colonial Barnhardt

**Camp John J. Barnhardt
July 17-19, 2020**

Cost: \$155 Scout and \$75 Leader

COVID-19 UPDATE

With the upmost concern for camper and staff safety please be aware of the following changes in camp procedures:

1. Two week health monitoring prior to coming to camp.
2. No individual vehicle allowed past the large parking lot.
3. Extended health review at check-in including temperature check.
4. Campsite assignments in small groups.
5. Wear face mask when in groups.
6. Use “social distancing” at group meetings and activities.
7. Multiple handwashing during the day.
8. Daily temperature checks.
9. Revised meal procedures. No eating in dining room.
10. Camping shortened by 1 day & 1 night.
11. No inter mixing of campsite groups.
12. No visiting or “family nights.”
13. Dedicated staff to clean/disinfect high touch areas.
14. Follow up with units after camping to insure all are still well.
15. If a camper leaves camp for medical or other reason, they will not be allowed to return.
16. There will be no large gatherings such as flag raising/lowering or campfire programs.

Dear Scouter,

Thank you for choosing to participate in the exciting and fun Webelos Adventure Camp presented by the Central North Carolina Council. Some of you may have visited our beautiful camp before but for many, this will be your first experience at Camp John J. Barnhardt. We are sure your Scout will have a great outdoor experience at Webelos Resident Camp this summer!

Our leadership team has been hard at work to bring you a safe, fun, and memorable time. Both Dens will be taking the Aquanaut Adventure and then have the option of Earth Rocks/Iron Chef for Webelos and Into the Woods/Sportsman for Arrow of Light. Other activities will include BB Guns, Archery, Canoeing and Climbing. Be sure to come and experience night time climbing and repelling on our newly lit climbing tower. In addition, there will be games and loads of fun. During the camp, there will be opportunities for the Scouts to show their Scout spirit and work together as Patrols. These opportunities will allow Scouts a chance to start their transition to Scouts BSA. Meals will be prepared in the Cannon Dining Hall and served in campsite. Adirondacks will not be available due to the pandemic. We encourage scouts to bunk alone or with parents. In keeping with Youth Protection Guidelines, each pack must have a minimum of two adults and at least one adult for every 5 scouts. Smaller packs may combine with other packs to help meet the adult leadership requirements. If needed, the camp staff can combine units.

Participating in outdoor programs is where your Scout can have tons of fun, meet new friends, develop life-long memories and discover new skills. We are excited to bring this adventure to you this summer! Our staff is looking forward to seeing you this summer. Don't hesitate to contact us if you have any questions or concerns.

Registration Steps

1. Obtain information for each of the participants using the above form or similar.
2. Go to the CNCC website (www.centralnccouncilbsa.com)
3. Click on the banner on our homepage to begin registration.
4. At the bottom of the registration page, click on register.
5. Log in or create a profile to register.
6. Choose a group (i.e. Pack 443) or create a new group for this event.
7. You can reserve a block of spaces or begin adding names to your group.
8. Add names to your group. Note: you can close the group and edit it later.
9. Once you have completed adding names, close the group and pay \$25 to hold your reservation.
10. Final payment and medical forms for each participant, both youth and adult, must be in the council office by the closing date or additional charges will be due.

Caution: The Pack will be charged for all spaces reserved in the block, even if they don't have names in them.

Note: This event will fill up fast. Registration should be made as soon as possible because the spaces are allocated on a first come, first serve basis. Due to social distancing, Camp Barnhardt will be limited to only 100 people for this event.

If there are any questions or concerns, please do not hesitate to contact Kyle Camp, Council Program Director at (704) 701-5349 or Kyle.Camp@scouting.org

Frequently Asked Questions

1. Can a single Scout attend camp?

Yes, but only if they attend with a parent or guardian. There are no provisional dens at camp. Guideline to Safe Scouting rules must be followed.

2. Can a Pack with only one adult attend camp?

Yes. Two Packs can camp together to meet Two-Deep Leadership requirements. Check with the Camp Director.

3. Can 3rd Grade Scouts attend camp?

Yes. Bears will advance in May and will be eligible Webelos Scouts as of July 17.

4. Can Adults/Scouts leave Camp Barnhardt during camp?

Yes, if they check-out and check-in according to camp procedures. However, it is not recommended that Scouts leave because the program is very full and they may miss key events.

5. Will there be a Trading Post?

NO, our Trading Post will not be open during Webelos Camp this summer.

6. Will there be insects or spiders?

Depending on the weather, there could be some insects during your visit. There are sometime spiders in your tents. Please do not use any sprays or chemicals inside of the tents. Some scouts bring personal tents or bug nets to help reduce contact.

7. Can a Scout stay in the same tent as their parent?

Yes. Scouts are encouraged to bunk/tent alone. Some Scouts may feel more comfortable camping with their parent. Guide to Safe Scouting only allows a scout tenting with their own parent or guardian.

8. Does every scout have to take a swim test?

All scouts are encouraged to take the swim test. However, if they cannot swim, they will be given a non-swimmer buddy tag and their aquatic activities will be restricted.

9. Are campsites assigned?

Yes, your Pack will be placed in a campsite with other Packs. An effort will be made to balance the numbers in a campsite to avoid overcrowding and to insure each rotating group has similar numbers.

10. Are campfires allowed in the campsites? Should we bring firewood?

Campsite fires are allowed as long as there is not a BURNING BAN in effect. There should be plenty of wood around the campsites so outside wood shouldn't be needed. Please bring fire buckets with you.

11. What program supplies should we bring?

All program supplies will be provided by the camp. Some Packs may choose to bring snacks or other food items. Remember: food attracts animals to campsites.

12. Should we bring our Field Uniform?

Yes, it is suggested that you bring your Field Uniform. During the day, your Scout may wear their pack t-shirt or any scouting shirt for the activities around camp.

Swim Checks

Swim checks for each camper/leader will be conducted at the pool on day of check-in after the packs/dens have unpacked. Standard BSA requirements are:

Swimmer

- Jump feet first into water over head, level off and begin swimming.
- Swim 75 yards in a strong manner using one or more of the following strokes: side, breast, trudgen or crawl. Swim 25 yards using easy, resting backstroke.
- The 100 yards must complete without stops and must include one sharp turn.
- Rest by floating...long enough to demonstrate ability to rest when exhausted.

Beginner

- Jump feet first, level off and begin swimming.
- Swim 25 feet on surface.
- Stop, turn and resume swimming back to starting place.

Non-swimmer

- Did not complete either of the swim checks.

Buddy tags will be provided for each camper and leader. The tags will remain with each group leader except when used as a group participation in an aquatic activity. The aquatics staff will work with each scout to help them become a swimmer if at all possible.

Swim check can be completed prior to your arrival at camp. The checks can be scheduled at local pool with the approval of the Aquatics Director.

Camp Access

Camp Barnhardt is accessible to persons with special needs and abilities. Please contact the Camp Director in advance for assistance.

Visitors/Siblings Policy

Visitors will not be allowed this year at Camp Barnhardt.

There is a "No-Sibling" policy. Webelos Camp is designed for Webelos Scouts and we have no programs for siblings. Note: Some of the activity areas and dining hall are significant distances apart and will require much walking in some cases. If a leader/parent must bring an older sibling in order to come to camp an exception to this policy may be made. Please contact the Camp Director or Program Director.

Camp Rules/Etiquette

1. The Scout Oath and Law will be followed at all times. Violation of rules or conduct unbecoming of a Scout may lead to expulsion from camp.
2. Each den must provide adequate supervision with at least one adult leader for each 5 scouts as a minimum. The BSA Two-Deep Leadership policy will be strictly enforced at all times. Webelos must be supervised even during “pick-up” games of tag, soccer or similar activities.
3. Alcoholic beverages are not allowed at any BSA event. Possession of them will result in removal from camp.
4. Illegal drugs found at the encampment or suspicion of illegal drugs will not only result in dismissal from camp but camp staff will notify local law enforcement.
5. In accordance with BSA policy, liquid fuels may be used for cooking and lighting only if the fuels are used under adult supervision.
6. If a burning ban IS NOT in effect, campfires are permitted in campsites. Dug fire pits are allowed as long as you use Leave No Trace. Fires must be attended at all times. Fires must be cold before checking out from camp.
7. Campsites should follow low-impact camping guidelines.
8. Sheath knives or fixed blade knives are not permitted at camp.
9. Defacing any camp property, including live trees, may result in immediate dismissal from camp with repair cost settled before dismissal.
10. Radios, TVs, electronic games or other electric devices are not permitted.
11. Fireworks are strictly prohibited.
12. No bicycles will be permitted.
13. Quiet time should be observed by all in campsites.

Registration

Online registration will open February 3rd, 2020 at www.centralnccouncilbsa.com. Registration is on a first come, first serve basis and will remain open until camp is filled to the capacity of 350 campers or July 1st. Any registrations after the deadline must be approved by the Camp Director.

After registration, the following items must be submitted to the CNCC office by July 6th: Camp Roster Form, Full Payment and BSA Health Form (A and B) for all Scouts and Leaders.

Camp Cost

Resident Camp cost is \$155 per Scout and \$75 per Leader/Adult. A limited number of camperships are available. Campership applications are available from the council service center or professional staff.

Check-In

Scouts, Leaders and adults will be checked in at Lone Scout Lodge on July 17th from 3pm to 5pm. Only one representative of the Den/Pack should be responsible for check-in of the group. We encourage Den/Packs to travel together and arrive at the same time. At check-in each scout & leader will be given two camp uniform shirts and their medical form reviewed. Packs will unload their gear and it will be moved to their campsite. If the pack has a trailer, it may be moved to the assigned campsite for the duration of camp. A staffer will show the campers to the assigned campsite and help them get settled. For safety, cars must remain in the parking lot until check-out.

Sleeping Arrangements

Each assigned campsite will have an adequate number of new two person tents for your pack and other packs that share your assigned site. Scouts are encouraged to tent alone. The picnic shelter will be shared by all in a given campsite. Youth Protection Guidelines must be followed at all times. If you choose, you may bring your mosquito nets. Some leaders may choose to bring their own tents.

Meals

All meals will be provided Cannon Dining Hall and eaten in campsite starting with Friday night dinner. Water will be available at all campsites and program areas. Dens/Packs are encouraged to keep drink coolers in their camping area to encourage fluid consumption and avoid dehydration.

PLEASE NOTE ANY SPECIAL DIETS AND FOOD ALLERGIES in the notes area so the dining hall staff can be adequately prepared to meet everyone's needs.

Trading Post

No Trading post will be available this year.

Tobacco-Free Policy

All areas of Camp John J. Barnhardt are tobacco free.

Medical & Medication

Make sure the Medical Officer and Camp Director are aware of any special needs a Scout may have. Simple first aid and medical concerns may be treated at the health Lodge on a 24-hour basis by the Medical Officer. Major concerns will be handled by transporting the scout/leader to the local hospital.

Each Pack is responsible for distribution of medicine for its Scouts. Each Pack will need a locked box to keep all prescription medication secured. Prescription medication should be in its original container and properly identified. Prescription medications should never be in a Scout's possession. Self-administered medications are permitted to be administered by the Scouts themselves with supervision of pack leaders. Emergency medications such as an inhaler or EpiPen are allowed to be carried by scout.

Transportation

Transportation of scouts to camp may be made by individual families or carpools. Guidelines (permission slips and two-deep leadership) must be followed. Cars must stay in the parking lot during the camp session. No individual cars/trucks will be allowed in the program areas.

Non-Discrimination Statement

This program is for all BSA registered youth regardless of race, creed, nationality, gender, or religion.

The Central NC Council is offering an exciting Webelos Resident Camp for all rising 4th and 5th graders this summer. All activities are focused towards earning two Webelos and Arrow of Light Elective Adventure badges as well as fun activities (climbing tower, canoe, etc.) that are usually not offered at other Cub Scout events.

The adventure camp will take place from Friday, July 17th to Sunday, July 19th at Camp John J. Barnhardt. Check-in time on the 17th will begin at 3pm at the Lone Scout Lodge. Everyone should be checked in by 5pm unless there are special circumstances.

Below are the Elective Adventure Badges and activities

Webelos	Arrow of Light	Activities
Aquanaut Adventure Badge Earth Rocks Adventure Badge Or Iron Chief Adventure Badge	Aquanaut Adventure Badge Into the Woods Adventure Badge Or Sportsman Adventure Badge	BB Guns-Archery Climbing Wall Canoeing

Summer Camp Special Dietary Needs Form

The Central NC Council, Boy Scouts of America, strives to serve its campers nutritious meals which meet or exceed all applicable requirements and standards. The variety of foods available at meals is usually adequate to suit the nutritional needs of most campers. In order to meet the needs of participants who have special dietary requirements due to allergies, food intolerances, or other health issues, as well as those who follow alternate diets for ethical or religious reasons, it is necessary to obtain as much information as possible prior to arrival at camp.

Please be as specific as possible regarding the exact nature and severity of any allergy or intolerance. This information is necessary to determine whether the individual can simply avoid eating certain foods, whether we need to assess all ingredients in every food, or whether offending foods can or cannot be stored or served where they may contact the individual or things he or she may eat. Please note that we will make every effort to accommodate special requests. However, due to our open kitchens that handle the major allergens, gluten and other ingredients for the preparation of other menu items, we cannot guarantee that items will be completely "free" of any ingredient. While we make every effort to avoid cross-contact, the potential for cross-contact does still exist. We encourage guests to ask to speak to the Dining Hall Manager regarding any questions about the ingredients contained in the food being considered. While the Central NC Council attempts to provide meals which meet these special needs as much as possible, it is still the responsibility of the individual to avoid those foods which he or she is unable to eat. In some rare cases, it may be necessary for the camper to bring some food items, which can then be prepared by the camp staff.

Camper: _____ **Unit:** _____

Dates of attendance at camp: _____

Contact Name for Further Information if Needed: _____

Relationship to Camper: _____ **Phone:** _____

Food Allergies? YES NO

What are the Allergies?: _____

How severe is the Allergy? MODERATE STRONG SEVERE

Other information we may need to know about these allergies? _____

Other Special Diet? Vegetarian Vegan Diabetic Other: _____

Signature (Parent/Guardian if form for Scout): _____ **Date:** _____

Please email this form to mccaintreva@aol.com at least 2 weeks prior to your first day at camp in order for us to make accommodations for your special request. Forms turned in during Camp check-in upon arrival will be accepted but provisions may not be available.

What each Scout should bring to Camp

- **A face mask**
- Completed and signed Medical Form-(Parts A and B. Done no more than two weeks prior to camp)
