Adventure Camp

Camp John J. Barnhardt
June 22-25, 2017

Webelos Leaders and Parents,

Central NC council is offering an exciting Webelos Adventure Resident camp for all rising 4th and 5th graders this summer. All activities, based on the new Cub Scout program, are focused toward earning two Webelos and Arrow of Light Elective Adventure badges as well as fun activities (climbing tower, canoe, etc.) that are not usually offered at other Cub Scout events. The theme this summer is HIGHLAND GAMES. Dens/packs will represent an Irish clan. Note that the daily schedule now allows more travel time and longer activity periods.

The adventure camp will take place from Thursday, June 22 to Sunday, June 25, 2017 at Camp John J Barnhardt near New London, NC. Check-In will begin at 2:00 pm on June 22 at the OA LODGE on the close to parking lot. All campers and leaders/adults should be checked in by 5:00pm unless there are special circumstances. **Check-out by 11:00am on Sunday.**

Below are the elective Adventure Badges and activities in which the boys will be participating:

Webelos I	Webelos II	Activities	
Aquanaut Adventure Badge Earth Rocks! Adventure Badge	Aquanaut Adventure Badge Into the Woods Adventure Badge	BB guns Archery Climbing wall	Highland Games Canoeing Craft

In addition there will be campfires, sports competitions, games, and loads of fun. During the camp there will be opportunities for the boys to show their Scout spirit and work together as "Patrols." These opportunities will allow the boys a chance to start their transition to Boy Scouts. Meals will be prepared by a professional staff and served in the air conditioned dining hall. Sleeping will be in platform tents with 2 cots/tent. We encourage scouts to bunk with other scouts rather than their parents but bunking with parents is acceptable. In keeping with Child Protection standards, each pack must have a minimum of 2 adults with at least 1 adult for every 5 scouts attending. However, smaller packs can combine with other packs to help meet the adult requirements. If needed, the camp staff can help combine units. Resident Camp cost is \$150 per scout and \$80 per Leader/Adult.

We are very excited to be bringing this adventure to you. We look forward to seeing you this summer. Please don't hesitate to contact us if you have questions or concerns.

DETAILS

Registration

Online registration opens February 1st 2017 at www.centralnccouncilbsa.com. A roster form can be found at the end of this guide that will help gather information for registration. Registration is on a first come, first serve basis and will remain open until camp is filled to capacity of 200 campers or May 12th. Any registrations after the deadline must be approved by the Program Director and/or Staff Advisor. **After registration the following items must be submitted to the CNCC office by May 19th: Camp Roster Form, Full Payment, and BSA Health Form (sections A and B) for all Scouts and Adults.**

Camp Cost

Resident Camp cost is \$150 per scout and \$80 per Leader/Adult. A limited number of camperships are available. Campership applications are available from the council office or professional staff.

Check-In

Scouts, leaders, and adults will be checked in at the OA lodge on Thursday, June 22nd from 2pm to 5pm. Only one representative of the Den/Pack should be responsible for check-in of the group. We encourage Dens/Packs to travel together and arrive at the same time. At check-in each camper will be given 2 camp uniform t-shirts and their medical form reviewed. Packs will unload their gear and it will be moved to the campsite. If the pack has a trailer, it may be moved to the assigned campsite for the duration of the camp. A staffer will show the campers to the assigned campsite and help them get settled. For safety, cars must remain in the parking lot until check-out on Sunday.

Sleeping Arrangements

Each assigned campsite will have an adequate number of 2 person platform tents for your pack and other packs that share the campsite with you. Scouts are encouraged to bunk with other scouts rather than their parents. The picnic shelter will be shared by all in a given campsite. Youth Protection guidelines must be followed. Most campsites have a large number of spiders and insects. To sleep more comfortably, some adults/leaders may wish to bring their own tent with screen windows/doors. Some campers prefer to bring mosquito nets to hang over their cots in the camp provided cots and tents.

Meals

All meals will be provided by the professional staff and served in the air conditioned Cannon Dining Hall starting with Thursday evening's dinner and continuing through Saturday's dinner. Sunday's breakfast is in campsite. Water will be available in campsites and at program areas. Dens/Packs are encouraged to keep drink coolers in their camping area to encourage fluid consumption and avoid dehydration. Ice will be available for purchase at the Trading Post.

Swim Checks

Swim checks for each camper/leader will be conducted at the pool on Thursday afternoon after packs/dens have unpacked in the campsite. Standard BSA requirements are:

Swimmer

- Jump feet first into water over the head, level off, and begin swimming.
- Swim 75 yards in a strong manner using one or more of the following strokes: side, breast, trudgen, or crawl. Swim 25 yards using an easy, resting backstroke.
- The 100 yards must be completed without stops and must include at least one sharp turn.
- Rest by floating...Long enough to demonstrate ability to rest when exhausted.

Beginner

- Swim 25 feet on the surface.
- Stop, turn, and resume swimming back to the starting place.

Non-Swimmer

- Did not complete either of the swimming checks.

Buddy tags will be provided for each camper and leader. The tags will remain with each group leader except when used as a group participates in an aquatic activity. The aquatic's staff will work with each scout to help him become a Swimmer if at all possible.

Swim checks can be completed prior to coming to camp. The tests will be offered several days at Camp Barnhardt and/or can be scheduled at a local pool with the approval of the Aquatics director.

Camp Access

Camp Barnhardt is accessible to persons with special needs and abilities. Please contact the Camp Director in advance for assistance.

Visitors/Siblings Policy

Visitors are always welcome at Camp Barnhardt. They must report in and out at Summer Camp Headquarters in Montgomery Lodge to obtain proper ID before entering activity areas or campsites. Identification should be worn and visible by all persons while on camp property.

There is a "No Sibling" policy. Webelos Activity Camp is designed for Webelos Scouts and we have no program or facilities for siblings. Note: Some of the activity areas and dining hall are significant distances apart and will require much walking in some cases. If a leader/parent must bring an older sibling in order to come to camp an exception to this policy may be made. Please contact the program director.

Frequently Asked Questions

1. Can a single scout attend camp?

Yes, but only if he is “attached” or cared for by a parent or other adult. There are no “provisional” dens at the camp. Guideline to safe scouting rules must be followed.

2. Can a pack with only 1 adult attend camp?

Yes. Two packs can camp together to meet 2 deep adults requirements. Check with camp directors.

3. Can 3rd grade scouts that are currently Bears boys attend camp?

Yes. Bears will advance in May and will therefore be eligible Webelos Scouts by June 22.

4. Can scouts attend both district day camp and Webelos Activity Resident Camp?

Yes. The scout can attend Day Camp Monday thru Thursday. He could then check-in Activity camp later Thursday afternoon and stay through Sunday. He would miss the ½ day of Day Camp on Friday.

5. Can adults/scouts leave Camp Barnhardt during camp?

Yes, if they check-out and check-in according to camp procedures. However it is not recommended scouts leave because the camp program is very full and they will miss key events when out of camp.

6. Will there be a Trading Post and Canteen?

Yes. The Log Cabin will have a fully stocked Trading Post. Snacks will also be available.

7. Have the menu and food service changed since last year?

Yes, menus have been adjusted. A professional manager will be employed full time for the camp season. In addition, dieticians and leaders with youth experience will review the items and serving sizes to insure they are appropriate for Webelos Scouts.

8. Will there be many insects? Can anything be done to control the spiders?

In the past summers, insects have not been a major problem. There likely will be a large number of spiders in the tents and camp sites. It would not be environmentally sound to use chemicals or other means to “control” spiders. Some leaders bring personal tents or nets to reduce contact with spiders.

9. Will the scouts that came last year have the same program this year?

This year’s program is based on the new Webelos/Arrow of Light advancement program. The program has been adjusted to match the HIGHLAND GAMES theme and has more travel and “class” time.

10. Can a scout stay in the same tent with his parent?

Yes. Boys are encouraged to tent with other boys but some scouts will be more comfortable being in the same tent with their parent. Guide to Safe Scouting allows a parent with only his own son.

11. Does every scout have to take the swim test?

All scouts are encouraged to take a swim test. However, if they cannot swim, they will be given a non-swimmer buddy tag and their aquatic activities will be restricted. Swim lessons will be available for all those needing them.

12. Are campsites assigned?

Yes. Your pack will be placed in a campsite with other packs. An effort will be made to balance the numbers in a campsite to avoid overcrowding and to insure each rotating group has similar numbers.

13. Are campfires allowed in the campsite? Should we bring firewood?

Campsite fires are allowed as long as there is not a **BURNING BAN** in effect. There should be plenty of wood in the forest around the campsite so it shouldn’t be necessary to bring firewood. If the pack plans a fire, many won’t have a fire, make sure to bring fire water buckets and other supplies.

14. What program supplies should we bring?

All program supplies will be supplied by the camp staff. Some packs may choose to bring marshmallows, hot dogs, etc. if they plan to have a campsite fire. **Remember:** food attracts animals to the campsites!!
