Welcome!

Welcome to Webelos Woods.

The goal of the weekend is to provide fun and informative activities, reinforce scouting ideals and give the scouts a taste of camping, learning scoutcraft and planning campouts.

The event will start well in advance of the weekend with the Webelos planning their trip, just like boy scouts.

As a boy scout leader, your job will be to mentor them and allow them to use the skills they have gained to succeed, and in some cases fail. It is difficult to watch scouts figure out what they need to do to be successful. If we step back and dig down deep for some patience, the scouts will amaze us and themselves with what they can handle.

In addition to enjoying the weekend, they will find it very satisfying to look back on what they were able to accomplish.

Same as last year, the schedule allows time for everyone time to make their own lunch on Saturday. Also, while supplies last, any adults who register will get a patch.

Again, this year is more opportunity for the Scouts to compete in three separate team events, fire starting, stretcher race, and rescue rope throw. Key here is team. Be ready for your three best Scouts to compete in these events. That's three for each of the team challenges.

Campfire is always a time of fun and laughter. Please encourage your Scouts to have a skit or song prepared to join in that fun.

If you have any questions or comments, let us know. We are here to help you. And remember- HAVE FUN!

Frequently asked Questions

All packs are required to follow all the requirements to Youth Protection the Guide to Safe Scouting.

- When do we register? All Registration should be completed online before November 13th, 2019.
- What if only 1 or 2 Webelos are coming from my Pack? Even one Webelos is fine! Your Webelos will be paired up with another 1-8 Webelos from other packs to form a Patrol for the weekend.
- Can my Webelos come for just the day (Saturday)? Yes, they can, but an Adult leader(s) must also attend. No Webelos can be dropped off at Camp Barnhardt without an Adult Leader. (If the leader is not the scout's parent or guardian, two leaders should attend.) The fee listed online still applies. Bring your ticket (printed from registration receipt) and be at Montgomery Circle at 8am to "check-in" and receive your rotation assignment.
- How much does it cost? This year it will cost \$23 per Arrow of Light scout, \$15 per Webelos scout, and \$7 per adult. Each Arrow of Light scout with a neckerchief and each participant a patch for the event and all the supplies for all the events.
- Are the Campsites assigned? YES, you will receive your final campsite assignment at Check-In.
- Are campfires allowed? Yes, provided there is not a fire ban in place. All campfire materials MUST be brought in or be from fallen trees. No fires will be out of fire rings or unattended.
- Can scout(s) arrive separately? Patrols travel together. As such, please arrange for all your Webelos to arrive together. Check-In will be conducted by Pack, so if you travel separately, please be prepared to meet in the parking lot and check-in when your entire group is together. If you have scouts that are required to arrive separately (i.e.: Sat morning), please enter them on a separate registration, but use the same pack and den numbers to ensure they are assigned to the same rotation. Provide them with their own ticket to allow us to quickly check them in when they arrive.
- Is Food Provided? NO. Each Webelos Den (Patrol) is to bring all food items for the weekend, including drinks, snacks, etc. If you are assigned to a Patrol with multiple

Packs, please try to coordinate meals together. You should plan on Friday supper, three meals on Saturday and Sunday breakfast.

- Can Webelos carry a pocket knife? They can only if they have on their Whittling Chip Card! Remember to bring it with you. This is for the safety of the scout!
- What activity pins will be earned? Webelos Woods is a camporee style event and event stations are provided to allow Webelos to learn and have fun but will not cover activity pin requirements. The focus is on planning, preparation and execution of a camping event run by the boys.

If you have any further questions, please contact Treva McCain @ 704-219-6322.

Planning

Webelos Scouts should be actively involved in the planning for a successful trip.

- Templates are provided in this guide that can be used to plan menus, shopping lists, duty rosters, and transportation.
- Dens or individuals registered with less than four scouts will be combined. The combination will be communicated by December 6th to allow you to coordinate menus and responsibilities.
- To help it is strongly encouraged that you reach out to potential bridging Troops and invite a Scoutmaster/Assistant Scoutmaster to participate in the planning and if possible to even attend with your den. You may also want to consider if you can use Troop equipment (tents, patrol boxes, etc.).
- All campsites will have a least one Assistant Scoutmaster/Scoutmaster/SPL/Den Chief assigned to help with any questions regarding planning or during the event. You should receive communication on November 15th with the contact information of this assignment.
- Allow the scouts to plan their own menu. It doesn't need to be complex, but you may want to consider challenging them to do something more than cereal or pop tarts. Encourage them to learn about each other's likes and dislikes to help them bond as a patrol and come up with a menu that they will all enjoy. Learning to plan and eat meals together can help develop patrol bonds.
- Allow the scouts to figure out their own shopping list, quantities and to do their own shopping. Consider whether the item(s) they forget will cause significant discomfort or a learning experience that later will be reflected on as the time they overcame. Some of the best trips can be remembered as the time we had meatless sandwich.
