Advisors; please convey this to everyone in your unit who will be attending this event.

Items not claimed within 30 days will be given to a charitable organization. All personal property and clothing should be clearly marked with your name and Crew number.

HEALTH AND SAFETY

Health Lodge: The health lodge is staffed 24 hours a day by persons trained to handle minor accidents or illness. All injuries, regardless of the extent, must be reported to and treated at the Health Lodge. If needed, more serious cases will be treated at Stanly Regional Medical Center in Albemarle. If the parents of a Scout are not in camp during the weekend they must indicate, on the health form, where they can be contacted in the event of an emergency.

Every person who attends camp must have a completed Health History medical form.

Fire and Emergency Alarms: Camp Barnhardt has an emergency alarm system in the event of a serious emergency, such as severe weather or fire. Every campsite has a designated structure to report to in the case of a tornado or electrical storm. All scouts and leaders need to know where to go. Camp Emergency procedures will be posted in each campsite shelter and will be reviewed at the Unit Leader's Cracker Barrel Friday night.

Shoes: For safety reasons, all persons must wear shoes at all times. Open toe shoes are not permitted in camp. Sandals and Aqua Socks may be worn inside the showers. While walking to the showers, closed toe, hard sole shoes must be worn. There will be no exceptions.

Mosquitoes: Mosquitoes are a fact of life in North Carolina. We encourage everyone to use DEET based insect repellent with DEET percentages appropriate to your age.

Weather: Camp will take place rain or shine. Camp Barnhardt can experience different types of weather conditions this time of year. During these times, we may adjust some of the activities due to weather conditions. Watch the weather forecast before coming to camp and plan accordingly. August at CJB can be extremely hot and dry. In any event, be sure to stay hydrated.

CAMP POLICIES AND PROCEDURES

GENERAL CAMP INFORMATION

The Outdoor Code: All Campers are asked to live by the Outdoor Code. Please don't cut down or damage, in any way, live trees. They will become infected. Make sure any open fires are in the properly designated fire area. Please be sure that your Scouts know and understand the importance of caring for Nature as well as camp property.

The Outdoor Code

As an American, I will do my best to
Be clean in my outdoor manners,
Be careful with fire,
Be considerate in the outdoors, and
Be conservation-minded.

A Scout is Clean: You are expected to keep your campsite, latrine, shower facility, and washstand clean. If you need any special maintenance, please report it immediately to the Camp Office. We will see to it as soon as possible.

Conduct and Discipline: We solicit all Advisors cooperation in this area. At all times the conduct and discipline of the Scouts is first the responsibility of the unit leaders. The camp staff will not discipline any Scout unless it is a case of bodily injury or property damage, and then notify the appropriate leader. The camp staff is charged with the responsibility of providing program and support services to the camp and its participants; they are not authorized to supervise your Scouts. The camp administration reserves the right to remove any person from camp who is causing a major disruption.

Telephone: Cellular service is extremely limited at Camp. The Camp Office telephone is a business phone so calls must be restricted to those of an emergency nature. Incoming calls will be accepted on the business phone, and a message will be relayed to the Advisor. The business/emergency phone **CANNOT BE TIED UP FOR PERSONAL PHONE CALLS**. The telephone number at Camp Barnhardt is: 704.422.3025

Showers: Camp Barnhardt provides separate shower and latrine facilities for Adults and Youth male and females. **Adults should not enter the youth facility unless it is an emergency.** Adults need to respect the privacy of youth members in situations where the youth are changing clothes, using the latrine or taking showers, and intrude only to the extent that health and safety require. Adults also need to protect their own privacy in similar situations.

Cameras/video recorders are not allowed in bathrooms. This includes cell/smart phones. If you have a cell/smart phone with a camera or video recording capability, turn it off and put it away while in the restroom.
